<p>pertussis (whooping cough) in light of an elevated number of cases this year.</p> <p>Preliminary figures for New York State report 970 cases so far in 2012, as compared to 931 cases in all of 2011.</p> <p>The illness often starts with cold-like symptoms, including sneezing, a runny nose or low-grade fever, along with a mild cough. The cough will become more severe during the first week or two, and is often characterized by episodes of rapid coughs (coughing fit), followed by a high-pitched whoop. The cough may last for a couple of months and is more frequent at night.</p> <p>For more information on prevention, visit my website.</p>	<p>Town of Greece Community and Senior Center.</p> <p>Also, Tuesday, July 24th, Steel River BBQ will hold its grand opening ceremony at 11:00 a.m. Silver River is located at 421 River Street.</p> <p>The Rochester Genessee Regional Transit Authority will hold a grand opening of their new administration building on Thursday, July 26th at 10:30 p.m. It is located at 1372 East Main Street.</p>
