Senator Skelos Joins Governor Cuomo in Support of a New Tappan Zee Bridge

DEAN G. SKELOS August 20, 2012

I was pleased to join Governor Cuomo, County Executives Rob Astorino, Scott VanDerhoef and Mary Ellen O'Dell this afternoon in support of a new Tappan Zee Bridge. A new Tappan Zee Bridge means thousands of new jobs for the Hudson Valley, less congestion and a better quality of life for the thousands of people who travel the Tappan Zee Bridge every day. I applaud Governor Cuomo for his leadership on this important project, and for his vision of what is possible in New York.
