Merger of Canton and Michigan Based Firms Will Create New Opportunities

State Senator Patty Ritchie recently celebrated the merger of two engineering firms which will create a number of new jobs and opportunities in St. Lawrence County.

Burley-Guminiak & Associates, Consulting Engineers, P.L.L.C. of Canton will now operate under the Michigan-based firm C2AE and become “Capital Consultants Architecture and Engineering.” Officials say the merger will allow both to expand and enhance their services.

Senator Ritchie helped welcome C2AE to New York State, by navigating and helping them cut red tape to help ensure the merger ran smoothly.

Headquartered in Lansing, C2AE has a total of 6 offices throughout Michigan.
