

NEW YORK STATE SENATOR

John J. Flanagan

Best Wishes for 2013 from Senator John Flanagan

JOHN J. FLANAGAN January 3, 2013

Dear Friend:

As we begin the New Year, I wanted to take a moment to wish you and your family all the best in 2013.

Looking back on 2012, it is clear that our state has overcome many challenges - especially those caused by Hurricane Sandy. By working together, we have once again demonstrated that New Yorkers are resilient and more than willing to help our neighbors in need.

I look forward to continuing our recovery as well as building on the successes we have had over the past twelve months and invite you to provide me with your thoughts. Please contact my office by either emailing me at flanagan@nysenate.gov or calling 631-361-2154 to provide your comments on state issues. Your input is always appreciated and extremely helpful throughout the legislative session.

Thank you for the privilege of serving and please accept my best wishes to you and your family.

Sincerely,

John Flanagan
