

NEW YORK STATE SENATOR

Patty Ritchie

Ritchie Talks Agriculture WITH Oswego County 4-H Members

PATTY RITCHIE March 8, 2013

| ISSUE: **AGRICULTURE, EDUCATION, ORGANIC FARMING, DAIRY, LIVESTOCK**

State Senator Patty Ritchie welcomed 4-H members from Central New York to the Capitol this week, to talk about the importance of agriculture education in schools.

During their visit, Senator Ritchie—who chairs the Senate Agricultural Committee—joined representatives for breakfast and listened to how the 4-H is working, according to their motto, “to make the best better.”
