Peralta to US Senate: Confirm Thomas Now

JOSE PERALTA March 18, 2013

Statement From State Senator Jose Peralta

“I urge the United States Senate to swiftly confirm Thomas Perez as the next Secretary of Labor. Mr. Perez is a stalwart champion of worker and immigrant rights who has the skill and experience to be an excellent Secretary of Labor. Confirming Mr. Perez would be historic, as he would be the first Dominican-American to ascend to a cabinet-level position.”
