Statement by Senator Golden on Arrest Made in Connection WITH Dyker Heights Home Burglaries

MARTIN J. GOLDEN March 20, 2013

Brooklyn - State Senator Martin J. Golden (R-C-I, Brooklyn) tonight is applauding Captain Richard DiBlasio and the officers of the 68th Precinct upon their arrest of an individual for a home burglary in Dyker Heights.

"The 68th Precinct has done it again. I commend our Captain, our Detectives and our Police Officers who have tonight, arrested an individual wanted in connection with the recent home invasions in Dyker Heights.

I have been in constant contact with the 68th Precinct and have been

assured throughout their investigation that they were taking this string of robberies very seriously and were looking to put an end to this as quickly as possible.

We remain a safe community, with crime down 13% this year, and we continue to appreciate and respect the law enforcement work of the men and women of the 68th Precinct. We will not tolerate these criminal acts in our community.

I trust we will see justice served on behalf of the victims who have been violated by this criminal. Keeping our streets safe and feeling secure in our neighborhood is so important to being able to enjoy a truly good quality of life.”
