OSSINING, NY– In an effort to foster dialogue and increase participation with the local community, Senator David Carlucci (D-Rockland/Westchester) today announced plans to host his Ossining Office Open House. The event will be held on Wednesday, May 8th from 6:00 PM – 8:00 PM, located at 2 Church Street in Ossining.

The office will provide residents with direct access to the Senator, including serving as a central hub for anyone seeking assistance with any issues, concerns, or ideas they may have. It also provides easier access to residents that otherwise would have to endure a burdensome toll expense if they were forced to cross over the Tappan Zee Bridge into Rockland County. Senator Carlucci currently only has one main district office available to both Rockland and Westchester residents, which is located in Nanuet.

“As we seek to expand our office operations throughout the Senate district, our newest location is intended to provide a more convenient way for Ossining residents to use available resources at their disposal,” said Senator Carlucci. “This office belongs to the people I serve, and I look forward to making it known that my door is always open to the needs of the community.”

The Ossining office will be staffed by full-time personnel that will have a heavy presence in order to best address the concerns of the community. The Open House is free to the public to attend and offers the chance to meet with Senator Carlucci and members of his staff individually.
