Senate Majority Coalition Leader Dean Skelos today joined with Senators Lee Zeldin, Charles Fuschillo, Jack Martins, Carl Marcellino, and Kemp Hannon, as well as Nassau County Executive Ed Mangano, to announce funding for the expansion of the PFC Joseph Dwyer PTSD Peer-to-Peer Veterans Counseling program to Nassau County. Senator Skelos said, "As New York's veterans worked courageously to protect our freedom, many have faced physical and mental traumas that will last with them long after they return home. The expansion of the PFC Joseph Dwyer PTSD Peer-to-Peer Veterans Counseling program will provide an outlet for Nassau's veterans to share their experience and facilitate healing so that our bravest service members can receive the understanding and care they deserve."
