Senator Griffo to Hold Free E-waste / Document Shredding / Medication Disposal Event

JOSEPH A. GRIFFO April 25, 2013

| ISSUE: [ENVIRONMENT](#), [GOING GREEN](#), [HAZARDOUS WASTE](#)

Community recycling event is co-sponsored by Time Warner Cable, Sunnking Electronics Recycling, Confidata, the Town of New Hartford Police Department, and the New Hartford Shopping Center

Senator Joseph A. Griffo will again be hosting a Saturday event for Oneida County residents who are invited to drop off electronic –waste, confidential documents and old, expired medication for free, safe disposal on Saturday, April 27th in New Hartford.

Griffo noted that the one-stop, drive-thru event is ideal for **family households** who need to safely get rid of environmentally –sensitive waste.

Griffo said that [Time Warner Cable](#) volunteers will again be on-hand to supervise and coordinate the hundreds of cars that are expected to stop in.

“I’m pleased to be working again with several community partners who have proven experience in these specialized types of responsible recycling and disposal,” Griffo said. “[Confidata](#) is an upstate industry leader in data destruction. [Sunnking Electronics](#) will be on site to accept old or unwanted computers and electronics. And since left-over drugs in our homes can contribute to potentially fatal recreational or accidental misuse, as well as environmental damage to our waterways when disposed of improperly, [Town of New Hartford Police](#) officers will be there to take household medications.”
