

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Statement From Senate Democratic Conference Leader Andrea Stewart-Cousins Regarding Introduction of Governor Cuomo's Women's Equality Act

ANDREA STEWART-COUSINS June 4, 2013

| ISSUE: **HUMAN RIGHTS, WOMEN**

“All 10 points of this legislative package are crucial for the women of New York including the reproductive health legislation. This legislation simply reconciles state and federal law to protect a woman’s right to choose. In 1970, when the issue of reproductive health was first passed in New York, 12 Republican Senators joined a majority of their Democratic colleagues to support this landmark legislation. Women’s health and equality is not a Republican or Democratic issue. The women of New York deserve a vote on the entire Women’s Equality Act and deserve to know where their elected officials stand on these important issues.”
