# Nearly 30,000 Pounds of Electronics Collected at Ritchie Recycling Event

PATTY RITCHIE   June 7, 2013

| ISSUE: **ENVIRONMENT**

Penny Per Pound to Benefit United Way of Greater Oswego Co.

Nearly 30,000 pounds of outdated televisions, computers, cell phones and other household electronic devices were recycled through Senator Patty Ritchie's Electronics Recycling Drop-Off, held recently in

Fulton.

The event, which was hosted in conjunction with Sunnking Electronics Recycling and Time Warner Cable, benefited United Way of Greater Oswego County, with a penny per-pound recycled going to benefit the organization.
