Senator Charles J. Fuschillo, Jr. (R-Merrick) recently thanked Merrick resident Marni Kramer for serving as a student intern in his district office this summer.

Marni, who is pursuing a degree in public relations at Hofstra University, assisted Senator Fuschillo and his staff with research, community programs, providing informational outreach, and public relations.

“Marni is a bright and energetic young woman who worked hard and was a valuable asset. My staff and I enjoyed working with her and wish her all the best in the future,” said Senator

Fuschillo.
