

NEW YORK STATE SENATOR

Andrea Stewart-Cousins

Statement from Senate Democratic Conference Leader Andrea Stewart-Cousins on the 9/11 Anniversary

ANDREA STEWART-COUSINS September 11, 2013

“Twelve years ago today our state, nation and way of life were attacked by terrorists intent on striking fear into the hearts of all Americans. As we remember those we lost on that fateful day, we must also take pride in our heroic first responders who bravely rushed into harm’s way to help their fellow New Yorkers. Their courage, dedication and selflessness should serve as an inspiration and example to us all. We grieve today, and all days, for those we lost, but we should also redouble our efforts to unite as a nation, heal our divisions and serve our fellow citizens.”
