

NEW YORK STATE SENATOR

Patty Ritchie

Ritchie Meets WITH Oswego County "New Vision" Students

PATTY RITCHIE September 24, 2013

| ISSUE: **EDUCATION**

State Senator Patty Ritchie recently visited students who are part of Oswego County's "New Vision" program to speak with them about her role in the New York State Senate and answer their questions.

The New Vision programs are immersion based programs, developed through a partnership between Oswego county BOCES and SUNY Oswego's School of Education, that are designed for college-bound seniors who have an interest in law and government health care or education fields.
