FELDER: EXPECT MAJOR POLL SITE CHANGES ON ELECTION DAY

OVER A DOZEN NEW LOCATIONS IN THE 17TH SENATE DISTRICT

**FELDER'S OFFICE TO WILL HAVE EXTENDED HOURS
ON ELECTION DAY TO ASSIST CONSTITUENTS**

Senator Simcha Felder (D-Brooklyn) is informing residents of the 17th Senate District about new polling site locations just announced by the Board of Elections for the upcoming November 5th general election.

“This is just another example of the chaos and dysfunction that has become synonymous with the New York City Board of Elections,” said Senator Felder.

“For seemingly no rhyme or reason, BOE has yet again succeeded in causing disruption and potential disenfranchisement for New York City’s voters.”

To find out if your polling site is impacted, please call Senator Felder’s office at 718-253-2015, e-mail felder@nysenate.gov, or visit <http://nyc.pollsitelocator.com/Search.aspx>.
