

NEW YORK STATE SENATOR

John J. Flanagan

Statement from Senator John Flanagan Regarding Town of Smithtown

JOHN J. FLANAGAN February 14, 2014

| ISSUE: **LOCAL GOVERNMENT**

I am pleased to see that the sitting town board members acknowledge that Supervisor Vecchio and Councilwoman Nowick were duly elected by the voters this past November and have rightly reinstated them to their elected offices.

They deserve to serve their full terms of office as intended and expected by the voters, and I will work with Assemblyman Fitzpatrick to advance state legislation in the hopes of achieving that goal. I am confident that the board members who have reappointed Supervisor Vecchio and Councilwoman Nowick will do everything in their power to assist us in enacting this state legislation.
