SENATOR MIKE NOZZOLIO ANNOUNCES ROUNDTABLE DISCUSSION ON HEROIN AND OPIOID ADDICTION TO BE HELD MAY 8th IN CAYUGA COUNTY

MICHAEL F. NOZZOLIO April 4, 2014

| ISSUE: **CONTROLLED SUBSTANCES**

As Vice Co-Chairman of the Senate Heroin and Opioid Addiction Task Force, Senator Mike Nozzolio will hold a roundtable discussion on Thursday, May 8th in Cayuga County to discuss the rising epidemic of heroin abuse in our local communities. The Task Force will use the information obtained in these discussions to strengthen our criminal justice laws and develop recommendations on ways to address this critically important issue.

“The use of highly addictive opioid-based narcotics, such as heroin, is the fastest growing epidemic in our Nation. It crosses all ethnic, age, and socioeconomic boundaries and has now reached our local communities. As Vice Co-Chairman of the newly created Heroin Task Force, I will be reaching out to community leaders, members of law enforcement, health care professionals as well as parents and teachers to discuss ways we can prevent our young people from falling prey to the devastating effects of this and other opioid drugs.”

There has been a dramatic increase in heroin and opioid-based drug use in the Finger Lakes region. Nationally, the number of deaths that occur as a result of an overdose involving heroin has increased by nearly 50% based on documentation from 2006-2010.

“The use of highly addictive opioid-based narcotics has destroyed countless lives and families and is the fastest growing drug problem in both our State and Nation. Combating the use of heroin and opioid-based illegal drugs is critically important to protecting the safety and well-being of our families,” said New York State Senator Mike Nozzolio. “As Vice Co-Chairman of this important new task force, I will continue my efforts to raise awareness about this rising epidemic and I am hopeful that law enforcement officials, teachers, parents and concerned community members will share their ideas, suggestions and concerns at this roundtable discussion.”
