Yates County fire, EMS volunteers honored

THOMAS F. O'MARA April 17, 2014

| ISSUE: **VOLUNTEERS/ING**

Yates County Emergency Services recently honored many of the local volunteers who contribute thousands of hours of service to communities across the county. In fact, they paid tribute to a total of 710 volunteers who gave 8,484 hours of training and service.

Congratulations -- and thank you -- to all of this year's honorees and special award recipients.
