Senator Jack Martins (R-7th Senate District) and Nassau County Executive Ed Mangano recently sponsored a free KidPix photo ID program in Port Washington.

Families who participated in the program received a free, wallet sized kidpix card with their child's name, physical description, contact information, fingerprint, and photograph. In the event that a child goes missing, parents can give the KidPix card to law enforcement as a

helpful tool to help return the child home more quickly.

Senator Martins is pictured with the Iorio family as two year old Mason gets his picture taken for his free child ID card.
