Statement by Senator Simcha Felder Regarding Arrests in the Menachem Stark Case

SIMCHA FELDER April 29, 2014

| ISSUE: **CRIME**

"I hope that the alleged murderers are prosecuted to the fullest extent of the law and are condemned to a life behind bars. I am confident that the Brooklyn District Attorney's office will mount a formidable case and bring justice to the Stark family. As always, my thoughts and prayers remain with the Stark family during this excruciatingly painful time."
