In a effort to honor our Nation's greatest heroes as well as to recognize our region's historic significance as the birthplace of Memorial Day, State Senator Mike Nozzolio is urging residents of the Finger Lakes area to attend their individual village and town Memorial Day ceremonies on Monday, May 26th, and to also attend a special Memorial Day Ceremony that is being held at the Sampson Veterans Memorial Cemetery in Romulus, New York at 2:00 PM.

“As residents across the Finger Lakes region finish participating in their community Memorial day events on Monday, May 26th, I encourage everyone to join me at the Sampson Veterans Memorial Cemetery for a regional ceremony honoring the memories of our Nation's fallen veterans,” said Senator Nozzolio. “The ceremony begins at 2:00 o'clock PM and will culminate with a military salute with honors and TAPS to recognize those individuals who gave their lives throughout history to protect our Nation, including the nearly 200 veterans who have been buried at Sampson”

“We have no greater obligation than to honor and thank our veterans for their service to our Nation, whether in times of peace or in times of war,” continued Senator Nozzolio. “Just as our veterans recognized their duty to honor and serve their Country, we too must recognize

our duty as Americans to honor the profound sacrifices they made so that we could live our lives in freedom.”

The Sampson Veterans Memorial Cemetery was officially dedicated in July of 2011, after more than a decade of hard work and planning. The cemetery is located at the site of the former Sampson Naval and Air Force base where over a million sailors and airmen were trained in preparation for battle.
