Senator Nozzolio Announces Winners of the 2014 "Share The Finger Lakes" Photo Competition

MICHAEL F. NOZZOLIO August 13, 2014

The Winning Photographs of Sen. Nozzolio's 2014 "Share the Finger Lakes" Photo Competition

In an effort to promote the natural beauty of the greater Finger Lakes region and support the tourism industry, the 2014 "Share the Finger Lakes" photo competition was held inviting constituents of the 54th Senate District to share their favorite Finger Lakes photos on my facebook page throughout the month of July. Congratulations Bill Liddle of Newark! Bill's Sodus Point Lighthouse photograph taken during a windstorm received the most "likes" on facebook.
