

NEW YORK STATE SENATOR

Andrew J. Lanza

## October Is National Breast Cancer Awareness Month

ANDREW J LANZA October 3, 2014

| ISSUE: **WOMEN'S HEALTH**

### *SENATOR LANZA SPONSORS FREE MAMMOGRAM SCREENINGS*

While great strides have been made in the early detection and treatment of breast cancer -- and many women diagnosed with the disease are living long, healthy lives -- the fight against this deadly disease is far from over.

During Breast Cancer Awareness Month, women are encouraged to consult with their health care providers to learn more about the disease, discuss their concerns, and develop an

appropriate plan for breast cancer screening -- because early detection can save lives.

**Senator Andrew Lanza is sponsoring FREE MAMMOGRAM SCREENINGS on the following dates:**

**FRIDAY, OCTOBER 17, 2014**

9:00 a.m. – 12:00 p.m.

Senator Lanza's Annual Senior Fair - CYO Mount Loretto  
6581 Hylan Blvd., Staten Island

**FRIDAY, OCTOBER 17, 2014**

1:30 p.m. – 4:00 p.m.

Senator Lanza's District Office  
3845 Richmond Avenue, Eltingville

**TUESDAY, DECEMBER 16, 2014**

9:00 a.m. – 12:00 p.m.

Senator Lanza's District Office  
3845 Richmond Avenue, Eltingville

**An appointment is necessary, please call 1-800-564-6868.** All insurance plans are accepted. Co-payments and deductibles are waived.

If you, or someone you know, has a concern about breast cancer, the Adelphi NY Statewide Breast Cancer Hotline & Support Program is a wonderful service to help find answers. For the most current and useful information and resources, visit their website at [www.breast-cancer.adelphi.edu](http://www.breast-cancer.adelphi.edu) or call their toll-free number at 1-800-877-8077.

In addition, Senator Lanza recently supported a new law that requires the NYS Department of Health (DOH) to establish an up-to-date website devoted solely to women's health. The website will provide information on 22 preventive services now covered at no cost to patients under the federal Affordable Care Act (ACA) – including breast cancer mammography screening for women over 40.

Lanza will continue to support initiatives that focus on breast cancer prevention, early detection and community-based education and support services.
