

NEW YORK STATE SENATOR

Jack M. Martins

Senator Martins & East Coast Mma & Fitness Hold Anti-Bullying Program in Hicksville

JACK M. MARTINS October 7, 2014

| ISSUE: **CHILDREN**

To help combat bullying and raise awareness about this growing problem, Senator Jack M. Martins (R-Mineola) and East Coast MMA & Fitness recently presented a free bullying prevention program in Hicksville for families.

The free program, entitled "Bully-Proof Your Child," helped raise awareness about bullying, discussed the problem, and offered proactive steps about preventing bullying and helping

someone who is being bullied.

Senator Martins (back row center) is pictured with Legislator Rose Marie Walker, staff from East Coast MMA, and families who participated in the bullying prevention program in Hicksville.
