Monies to go towards improvements to Town Park

Senator John Bonacic (R/C/I – Mt. Hope) announces that the Town of Greenville has been awarded \$50,000 in funding from the State & Municipal Facilities Capital Program.

Plans call for making improvements to the Greenville Town Park.

“The popularity of our town park has grown over time, and we are in need of making repairs,” said Supervisor George Hossann, Jr. “We can’t thank the Senator enough for allowing us to make these needed improvements.”

“I’m pleased to have been able to help the Town of Greenville obtain this funding to make park improvements and raise the quality of life for all town residents,” said Senator Bonacic.
