Senator Jack M. Martins (R-7th Senate District) recently visited Mineola Middle School to personally thank students for helping him bring some extra holiday cheer to children in need.

The students collected toys for Senator Martins' annual holiday toy drive to benefit children in Winthrop-University Hospital. Senator Martins visited the school to pick-up the toys and personally thank the students for their efforts.

“I really appreciate Mineola Middle School’s students and staff working so hard in support of this program. It’s wonderful to see them lend a helping hand to children in Winthrop Hospital. Their efforts will help brighten the spirits of many families who really need it,” said Senator Martins.
