Jack M. Martins

Herricks Students & Senator Martins Bring Cheer to Children in Winthrop-University Hospital

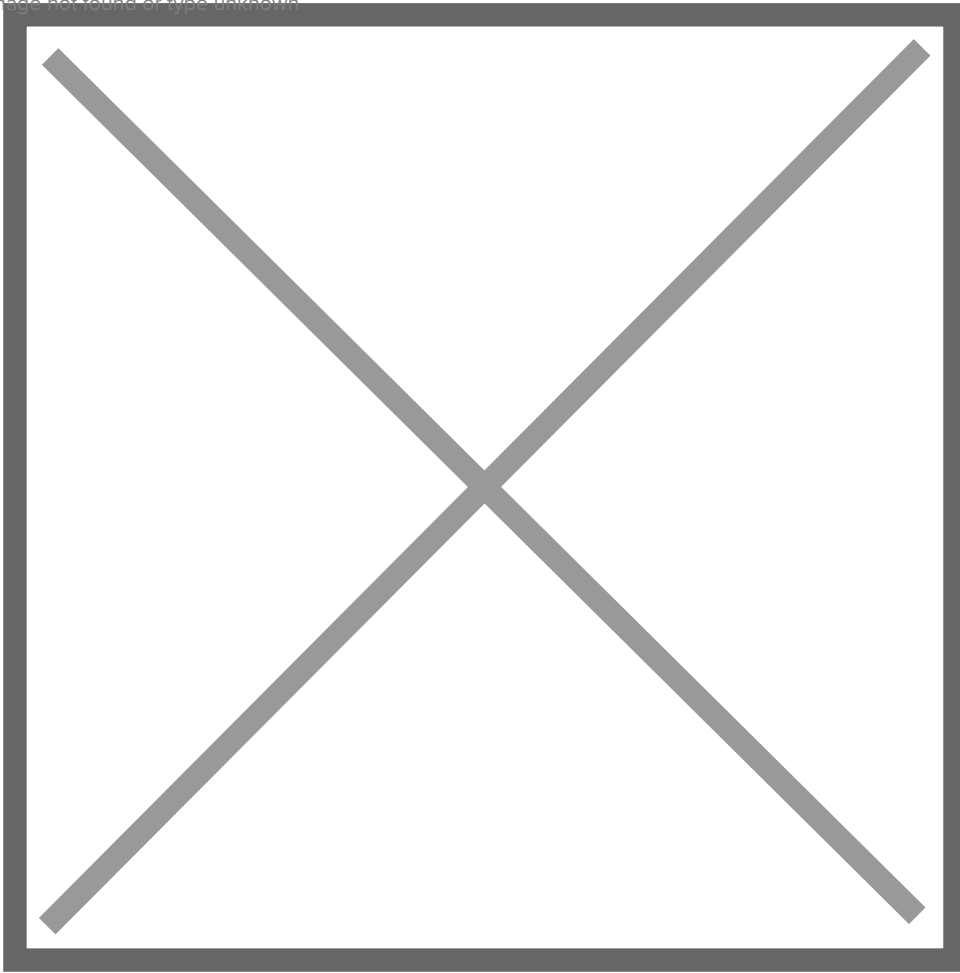

[JACK M. MARTINS](#) January 7, 2015

Students from Center Street School and Searingtown School in the Herricks School District recently helped Senator Jack M. Martins (R-7th Senate District) bring some extra holiday cheer to children in need.

The students collected hundreds of toys for Senator Martins' annual holiday toy drive to benefit children in Winthrop-University Hospital. Senator Martins visited both schools to pick-up the toys and personally thank the students for their efforts.

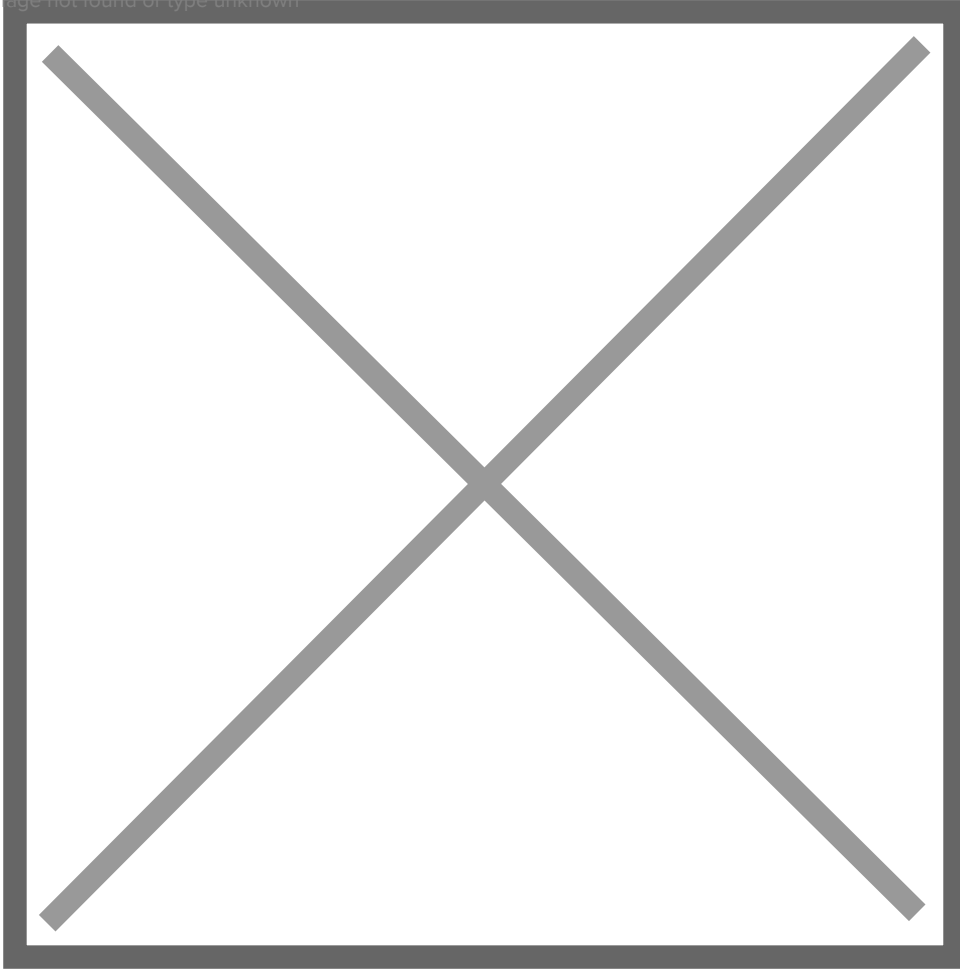

"It's wonderful to see these students work so hard to help other children in need. Every toy they collected will bring smiles to the faces of families who are going through tough times. They did a great job, and I thank them for helping to make this program a success," said Senator Martins.
