James L. Seward

Seward Advocacy Prompts New Plan For Route 80 Project

JAMES L. SEWARD January 16, 2015

| ISSUE: **TRANSPORTATION, HIGHWAYS**

ONEONTA, 01/16/15 -- State Senator James L. Seward (R/C/I – Oneonta) today commented on the State Department of Transportation’s (DOT) scaled-down and reconfigured design plan for road repairs along a section of State Route 80 in Otsego County:

“After strongly advocating for my constituent’s concerns, I am extremely pleased that the Department of Transportation (DOT) listened to property owners and incorporated their suggestions into a revised and reduced blueprint for work along Route 80. We now have a project that meets the safety needs of the motoring public, protects the environmental health of Otsego Lake, and will have no negative impact on homeowners.”

Attached is the complete letter from DOT Commissioner McDonald to Senator Seward announcing a resolution to concerns expressed by property owners over the Route 80 construction project.
