State Senator Thomas D. Croci (R-Sayville) toured the New York State Emergency Operations Center (EOC) in Albany this morning to monitor New York State's response to the winter storm hitting Long Island.

"With the record snowfall hitting our area, I want to make sure that requests for assistance from the Suffolk County and the towns of Islip and Brookhaven are getting the priority

they deserve,” said Senator Croci. . The next several days are going to require an enormous clean-up effort, and I will continue to monitor the state’s response to ensure Long Island is receiving the equipment and manpower it needs to get life back to normal as quickly as possible.”
