NYS Reviews Proposed State Budget

HUGH T. FARLEY February 2, 2015

| ISSUE: **BUDGET**

The Senate has established a webpage which contains links to several budget-related documents, including a link to the recently-published Senate staff analysis of the Governor's budget proposal. It is available at the following web address: <http://www.nysenate.gov/GetTheBudgetFacts2015-16>

There are a number of controversial proposals in the Executive Budget, and I welcome your feedback. In particular, there are a lot of concerns about his education proposals and his

withholding of the proposed school aid figures.
