GIBSON AND SERINO UNITE TO SERVE SHARED CONSTITUENCY

Officially Open Hyde Park District Office

ALBANY, NY— Congressman Chris Gibson (NY-19) and New York State Senator Sue Serino (R, C, I—Hyde Park), came together today to celebrate the Grand Opening of their shared

district office located on Route 9 in Hyde Park.

Congressman Chris Gibson said, "Today's opening provides local residents the opportunity to share their views and get assistance from both the state and federal level at the same location. I look forward to continuing to partner with Senator Serino to best serve our constituents and work on solutions together that help the Hudson Valley."

"I am incredibly excited to be able to partner with Congressman Gibson to give people direct access to their representatives," said Senator Serino. "Today, we have a unique opportunity to close the gap between the state and federal levels and to offer our constituency an efficient one-stop shop full of invaluable resources. I am confident that the office will add real value to the community and I look forward to capitalizing on this opportunity to better serve the residents of the 41st District."

The grand Opening Celebration was marked with an official ribbon cutting ceremony, during which local officials and members of the Hyde Park Chamber spoke to the importance of opening the new office.

President of the Hyde Park Chamber of Commerce, John Coppola said, "What a great day it is for Hyde Park. Having the shared district office of Congressman Gibson and NYS Senator Serino in Hyde Park puts an invaluable resource right here in our backyard. In their coming together, constituents have direct access to their representatives and I know they will add great value to our community."

Senator Serino concluded with the following message to constituents: "Congressman Gibson and I, along with the dedicated members of our staffs, are here for you. I hope you'll take the time to stop by, introduce yourself and let us know what we can do to better serve you."

The office is located at: **4254 Albany Post Road; Hyde Park, NY 12538.**
