The New York State Senate today passed 14 measures dedicated to improving the lives of veterans and honoring them for their exceptional service. The Senate today also celebrated the achievements of veterans from across the state during the Senate's annual Veterans' Hall of Fame induction ceremony.

true heroes who have fought to protect and defend our freedoms. Along with the bills passed, the Senate is committed to showing our veterans that we care and want them to succeed, and we are truly proud to support them.”

Senate Coalition Co-Leader Jeffrey D. Klein (D, Bronx) said, “For the distinguished men and women in uniform who have proudly served this country, the American people owe you a great debt of gratitude. I’m proud that the New York State Senate takes time each year to recognize the brave men and women who have sacrificed so much for all of us through its annual Senate Veterans’ Hall of Fame.”

The New York State Senate Veterans' Hall of Fame was created to honor and recognize outstanding veterans from the Empire State who have distinguished themselves both in military and civilian life.
