(Middletown, NY)- Senator Bonacic joined local elected officials, business leaders, health professionals and community members and delivered remarks at the grand opening and ribbon cutting for Braemar at Wallkill, an assisted living residence with 200 units in the Town of Wallkill. The facility offers on and off-site programming, multiple dining areas and several recreational lounges for its residents. They also offer a full complement of health-care services including a unit dedicated to serving dementia and Alzheimer's residents.
