Build It Back Application Completion Deadline of June 30th Approaching

MARTIN J. GOLDEN June 10, 2015

Please be advised that in order to ensure that all homeowners can move forward into a program pathway this year, Build it Back is setting a deadline for homeowners to complete their applications.

By June 30, 2015:

*Applicants must submit all documents for eligibility determination; and

*Applicants pending a damage assessment must schedule one with Build it Back.

The NYC Build It Back program is currently reaching out to these applicants to notify them of the deadline. If they are interested in continuing, they will have field staff available throughout the month of June providing assistance and free counseling.

NYC Build It Back will also send out final notices to all homeowners currently marked as withdrawn (a population verified through our recent outreach campaign) to notify them that they will officially leave the program if they do not complete their applications by June 30.

Please contact my office at (718) 238-6044 with any questions, and please mark your calendar for Tuesday, June 23rd, 7pm, for my next Sandy Community Meeting scheduled to be held at PS 277.
