CATHARINE YOUNG June 10, 2015

| ISSUE: **ECONOMIC DEVELOPMENT, LABOR, LOCAL GOVERNMENT, TRANSPORTATION, TELECOMMUNICATIONS**

“I applaud the Cattaraugus County Legislature for giving the green light for the old Route 219 bridge replacement. Construction of a new state-of-the-art bridge will be extremely beneficial to Western New York because it will stimulate economic growth by creating new, good-paying jobs and providing greater access to broadband service, preserve the local economy, and give residents on both sides of the Cattaraugus Creek access to emergency care and shopping they need and deserve.”
