Senator Jack M. Martins (R-7th Senate District) recently congratulated the Chaminade High School Varsity Basketball Team on winning the NSCHSAA Class A Long Island Championship.

The team, which finished the season with an overall record of 19-9, captured the Championship with a 57-38 victory over Kellenberg Memorial High School. It was the Flyers'

second Long Island championship in the last three years.

Senator Martins presented the team with copies of a legislative resolution he sponsored, which was passed by the Senate, honoring their accomplishment. With passage of the resolution, the team's achievement will forever be part of the New York State Senate's official record.

"Chaminade had a terrific season which culminated in winning the Long Island Championship. It's wonderful to see the boys' hard work rewarded with another Class A title. Congratulations to them and the coaching staff on a job well done," said Senator Martins.
