William Larkin

Senator Larkin's Annexation Oversight Bills Pass in the Senate

WILLIAM J. LARKIN JR. June 16, 2015

| ISSUE: **ENVIRONMENT, LOCAL GOVERNMENT, CONSTITUENTS CORNER**

“I am pleased that we have passed my annexation oversight bills today in the Senate. We desperately need more appropriate oversight on annexations that could have such a significant impact on our region. The passage of these bills have been my top priority throughout this entire process and I never stopped fighting on behalf of my constituents. The Assembly will now be tasked with sending these bills to the Governor's desk for his signature. I urge Governor Cuomo to sign these bills into law as soon as possible.”
