

NEW YORK STATE SENATOR

Ruben Diaz

## ABC's "The View" Joins Those Attacking the Hispanic Community

RUBEN DIAZ August 5, 2015

WHAT YOU SHOULD KNOW By Senator Rev. Rubén Díaz District 32 Bronx County, New York Tel 718-991-3161

### **ABC's "The View" Joins Those Attacking the Hispanic Community**

You should know that on Tuesday, August 4, 2015, during the broadcast of ABC's television program called "The View" one of the panelists, Ms. Kelly Osbourne, joined those who express their hatred and racism against the Hispanic community.

You should know that "The View" panelists are comprised of liberal Democrats who include Rosie Perez and Whoopi Goldberg, and they brag about how dedicated and committed they are to defending and protecting the oppressed, the poor, etc. JaJaJaJa! Que risa me da!

When the Republican Donald Trump expressed his famous comment about the Mexican government, the outrage and outbursts by Whoopi Goldberg and those in "The View" were heard all the way to heaven.

But surprise, surprise, surprise, as I say sometimes when I am preaching: "That blue sky, it is not blue and it isn't even a sky."

On August 4, during ABC's "The View" Ms. Kelly Osbourne, criticizing Donald Trump's comment about Mexicans, revealed her own view of all Hispanics by expressing the

following: "If you kick out every Latino out of this country, then who is going to be cleaning your toilet?" While trying to criticize Donald Trump, Ms. Kelly Osbourne apparently exposed her own racism.

I could only imagine if that comment about Hispanics being only good to clean toilets would have been expressed by Donald Trump or any other Republican. Wow, what a party!

So where is the outrage? Where are the demonstrations? Where is the media? Where are our Hispanic elected officials? Where is NYC Speaker Melissa Mark-Viverito? Where is NYC Mayor Bill de Blasio? Where are all of those people who are opposed to hate-speech? Where is El Diario la Prensa? Where is Jorge Ramos? What happened?

This is Senator Reverend Ruben Diaz, and this is what you should know.
