Senator Martins Supports Women's Veteran Program

JACK M. MARTINS August 12, 2015

Senator Jack M. Martins (R-7th Senate District) recently joined with members of the National Association of Professional Women's Nassau County Chapter (NAPW Nassau County) in Williston Park at their recent event supporting The Women's Veteran Program.

The Women's Veteran Program is based in Northport and helps serve the unmet needs of brave female soldiers. The program provides women veterans with items that are not supplied by the VA and helps them adjust to their stay in the hospital.
