Beloved band wows Westchester residents at Senator Klein's Summertime Symphonies Series

MT. VERNON, NY - State Senator Jeff Klein (D-Bronx/Westchester), together with the Fleetwood Neighborhood Association, hundreds of community members, children and families, hosted FDR Drive at Broad Street Playground on Friday.

“As a young kid, I would often travel to Manhattan to enjoy the fun outdoor entertainment provided during the summer. Now, many years later, my summer concert series has become

a tradition in Westchester – bringing together the community to kick back, relax and enjoy some great music with friends and family. I proudly hosted FDR Drive in Mt. Vernon to provide first-rate entertainment for our families, friends and neighbors. Thank you to everyone who came out and I look forward to many more fun events coming up this summer,” **said Senator Jeff Klein.**

For years, FDR Drive has wowed crowds across the tri-state area with show-stopping performances. The band is best known as one of New York’s premier cover bands, playing a mix of chart-topping hits from the ‘70s, ‘80s, ‘90s, Motown, and today.

"Nothing brings the community together like a night of great music with friends and family. Thank you Senator Klein for bringing FDR Drive to Broad Street Playground and for kicking off this summer weekend with a special treat. I look forward to continuing to work together to invest in the Mt. Vernon community and improve the quality of life for all our residents," **said Mike Justino, president of the Fleetwood Neighborhood Association.**
