| ISSUE: **AGING, SENIOR CENTERS, SENIORS**

(**Middletown, NY**)-Senator Bonacic was pleased to join fellow elected officials, community leaders, and several hundred Town of Warwick Senior Citizens at the annual Warwick Senior BBQ today, which was held at Union Corners park in the Town of Warwick. The BBQ, one of the largest gathering of seniors in Orange County all year, is an opportunity for members of Warwick's vibrant senior citizen community to gather together, enjoy some free music, and eat a tasty chicken BBQ. Several organizations are on hand to provide information, and services to the seniors, including the Orange County Office of Community Development, and the Orange County Office for the Aging. The BBQ also gives local leaders the chance to speak with and hear the concerns of the seniors.
