The Drug Enforcement Administration (DEA) has scheduled the 10th annual "National Prescription Drug Take-Back Day" for Saturday, September 26, 2015, from 10:00 a.m. to 2:00 p.m.

According to the DEA, this is a great opportunity for those who have missed the previous events, or who have subsequently accumulated unwanted, unused prescription drugs, to safely dispose of those medications.

"It's incredibly important that our law enforcement leaders continue to take part in National Prescription Drug Take-Back Day. Their ongoing leadership in this overall effort to combat the alarming rise of prescription drug abuse makes all the difference," said Senator O'Mara.
