Senator Jack M. Martins (R-7th Senate District), Nassau County Executive Ed Mangano, and Nassau County Legislators Rose Walker and Laura Schaefer recently sponsored a free Senior ID Card Program at the Hicksville Library.

Over 130 seniors received a free wallet-sized ID card which includes their name, personal information (name, address, phone number, date of birth), and an emergency contact name

and phone number which could be useful to emergency responders. Seniors can carry the card in their wallet so that first responders will know who to contact if the senior is in an emergency situation and cannot communicate.
