| ISSUE: **GENERAL**

New York State Senator Mike Nozzolio was recently sworn in to office by former Lt. Governor Mary Anne Krupsak. Senator Nozzolio was overwhelmingly re-elected in November with over 72% of the vote in his district. Senator Nozzolio thanked the approximately 350 people who attended the ceremony for their support and the honor to represent their needs as a member of the New York State Senate. Senator Nozzolio was sworn in using the same Bible that was used when Lt. Governor Krupsak took her oath of office in 1975. Pictured left to right: Senator Mike Nozzolio, wife Rosemary and Mary Anne
