Op-Ed On The Military Commissions

ERIC T. SCHNEIDERMAN May 20, 2009

| ISSUE: **CODES**

Please be sure to check out an [op-ed](#) I wrote with [Sen. Eric Adams](#) for CBS News about the Obama administration's decision to revive the military commissions to prosecute Guantanamo detainees. We believe the time has come to end, not mend, this substandard judicial system.

The Albany Project also [posted](#) about it, check it out.
