Senator Nozzolio Presented Food Pantries With Non Perishable Donations

MICHAEL F. NOZZOLIO August 4, 2009

Auburn - Senator Mike Nozzolio recently presented members of the Throopville Community Church Reach-out program and the Calvary Food Pantry with the food items collected during the Senator's annual community night of baseball at Falcon Park. The annual event is well attended and it provides needed food supplies for area food banks and pantries. Senator Nozzolio will be hosting a discussion later this summer on the growing needs of our local food pantries.
