Testimony from Aug. 12 roundtable on modernizing New York State's telecommunications taxes

LIZ KRUEGER August 12, 2009

| ISSUE: **ENERGY**

On Aug. 12, 2009, the Select Committee on Budget and Tax Reform held a roundtable in Albany on modernizing New York State's telecommunications taxes. The Select Committee discussed this issue with nine telecommunications tax policy experts from around the country.

Below are links for the written testimony some experts submitted to the Select Committee for the roundtable. The Select Committee's staff will issue a report detailing key findings and conclusions from information gathered during the roundtable.
