OCTOBER IS BREAST CANCER
AWARENESS MONTH

www.foley.nysenate.gov

Early screening is estimated to reduce breast cancer deaths by 20-25%.

This means you have the power to do something.

Small steps like talking to your health care provider about recommended screenings for breast cancer can reduce your risk.

Call us at (631) 360-3365 (3356) or Email us at SD3Info@gmail.com and we will connect you with a free/low cost breast examination facility near you!

Now you know. Now you can.
