**Early screening is estimated to reduce breast cancer deaths by 20-25%.**

**This means you have the power to do something.**

**Small steps like talking to your health care provider about recommended screenings for breast cancer can reduce your risk.**

***Call us at (631) 360-3365 (3356) or Email us at [SD3Info@gmail.com](mailto:SD3Info@gmail.com) and we will connect you with a free/low cost breast examination facility near you!***

**Now you know. Now you can.**
